

Lisa (Xiaoyi) Liu

CPA

Background

Lisa comes from mainland China and graduated from the University of Denver Daniels Business College with a Masters in Accountancy; GPA = 3.87. She passed all four parts of the CPA on her first sitting, scoring a 99, which is the highest score possible, in auditing. Lisa's undergraduate degree is from one of China's 3rd-ranked University's – Fudan University. Currently, she is enrolled in the University of Denver's Master of Taxation program.

Prior to working at the Law Firm of Mark Merric, LLC, Lisa worked for a CPA firm preparing individual and business tax returns; Shanghai General Motors Co., Ltd.; Shanghai New-Global Telecom Business; and Bayer Material Science (China) Trading Company.

In 2013 and 2014, Lisa went to Shanghai, Yunnan and Shandong Province with Mark Merric and translated the whole presentations. The presentation places include Fudan University, Shanghai Bar Association, Dacheng Law Firm, CCPIT(Yunnan), Bank of China(Yunnan), Shandong Bar Association and Qingdao Bar Association.
